

Bible reading schedules for use with 'Bible Study Guide For All Ages'

This schedule gives the amount of reading in terms of each lesson instead of each day. The number of 'years' assumes you will typically cover two lessons per week, however you can use these schedules to stay 'on track' with each other no matter how many lessons your family/class covers each week/year.

'Family' 1 yr option lets you read material along with family members reading in 2 or 4 yrs.

'Solo' 1 yr option is less 'choppy' and allows for smoother reading.
